

NATURE Series with PBS

For more information on the NATURE Series, visit: www.pbs.org/wnet/nature.

Canon U.S.A. has provided corporate underwriting for NATURE since 1990. Produced for PBS by Thirteen/WNET New York, NATURE has won more than 400 awards for its programs about wildlife and natural history. In 2007, NATURE won Emmy Awards for Chimpanzees: An Unnatural History and Christmas in Yellowstone. NATURE can be seen on PBS Sunday nights at 8 p.m. ET (check local listings).

NATURE is public television's leading showcase for natural history and wildlife films. Now in its 26th season, this Peabody and Emmy Award-winning PBS series has raised the environmental consciousness of millions of Americans by celebrating the beauty, diversity and value of the Earth's species and habitats.

"At the heart of Canon's commitment to the world community is the belief that we are building a better world for future generations."

-Yoroku Adachi, President and CEO, Canon U.S.A., Inc.
